Letter to Employer

I was born in Antalya in 1990, primary education, secondary education and high school I completed my education in the district of elmalı and studied at the university in Ankara. Graduated from Yıldırım Beyazıt University as a Mathematics teacher I completed. I could not get the score I wanted by entering KPSS and private I started working in institutions. My students who are my professions I prepared it for the Mathematics Olympics and we achieved a good success.
