Letter to Employer

I was born on October 10, 1992 in Etimesgut, Ankara. I studied in Atatürk primary school as my primary education. Secondary education I studied at Şehit Adil Erdoğan Secondary School. As a high school I studied at Ankara Atatürk High School. A nice one in the university exam Deniz at Istanbul Technical University, which is my dream of success and I graduated from Transportation Management Engineering. Since I was little I have a great interest in the sea because there is no sea in the city I live in and I always told myself that I will be a captain when I grow up. I am very happy that I succeeded. Captain after graduation from university I started to receive trainings. I took part in many special trainings and I went to the city of Antalya, which has a rich touristic structure. Many in Antalya I was the captain of the hotel. See myself in better places I am writing this article right now because of what I want. For your interest thanks.
