LETTER TO EMPLOYER

I was born in 1990 in the district of Karaburun, İzmir. As primary education I studied at Sarıca Primary School. Profitable as secondary education I studied in middle school. I studied high school at Berjaka Anatolian High School. Footballer by taking the Besyo exam at İstanbul Marmara University I deserved to be. He has been very interested in football since I was little I saw this section suitable for me because I am. District first I have been in their team. Later I was in the provincial teams. Good I was able to raise myself comfortably since I am a football player.

EDUCATION
