Letter to Employer

I was born in Istanbul's Arnavutköy district in 1985. I saw my high school education here. University Kırklareli I graduated from the Civil Aviation Cabin Services department at the University and I received trainings for flight attendant. As a flight attendant on airplanes I started to work. He has to leave the job due to some special reasons I stayed. Later I started working in different jobs. But later I'm back to work again.
