Letter to Employer

I was born and raised in the district of Zara in Sivas in 1996. primary and middle I studied my education here. High school is in Selçuk Anatolian High School I read. Later at Mimar Sinan Fine Arts University I finished archeology and many researches related to this branch I did it, I went to museums and many places with historical buildings. I have collected information and based on this information, I started looking. Hired as archeology specialist at some museums Then I started to visit many excavation sites where historical excavations were carried out. I went and discovered many historical items again.
