Letter to Employer

I was born in 1992 in Istanbul's Bakırköy district. Primary School Bakirkoy I studied in primary school. I went to secondary school in Cumhuriyet Secondary School. Later, I graduated from Bakırköy Anatolian High School and I graduated from the child development department openly. I started working in daycare centers to be with children and I realized that being with children is good for me. But in nursing homes It was very tiring for me because there are so many children I started going to the houses. One child was getting easier for me and I started to devote more time to him. So at home I decided to be a babysitter.
