### Letter to Employer

Good day I'm Olivia Clarke. I am 33 years old and I am Midwife. In your clinic I wanted to apply to you to work. My application to give results I wish. I think I am very good at my job. All these years I trust my experience. Likes to work in a planned way and I am a person who can keep up. The courses I attended during this period by gaining equipment in internships and I think I improve myself with seminars. In my professional life job opportunity that I can advance and serve for many years I'm looking for. Best regards.
