Letter to Employer

I am Alice Russel, I was born and raised in Başakşehir district of Istanbul. I completed my primary and secondary education here. High School in Beyoğlu I graduated from Istanbul Atatürk High School. Ever since I was young I was keen on the department, I thought of myself as a store manager always and prepared for this, the business administration department at Fırat University I finished. I worked in various places and in 2017 I bought my own jewelry. I opened the store. Everything was fine and I started. Things went wrong due to the pandemic in 2020 and to close it I had to have my store and I want to start new business now I work as a salesperson in a store.
